Our Partners help us produce top quality professional theatre.

Together we make a significant economic and cultural impact on our community. We're happy to return the favour by giving them tickets to our shows and access to our audience. It's the Perfect Partnership!

Our 2016 Season features 12 great events from June 2016 to May 2017. 5 concerts, 3 summer plays, 3 school shows and 1 Christmas tradition.

Our Partnership will be even more important this Season. The OOH worked with +VG Architects to develop a conservation plan that will see us repair and restore the building. Our venue will be complete as an enhanced cultural space.

Check out the Sponsorship Options and choose one that works for you.
